## Online Banking Login Instructions

You have 7 days from the date that your membership was opened to log into online banking. Once you log on, you will need to sign up for eStatements from within online banking. If you do not sign up for eStatements, there will be a fee for paper statements (see our current rate and fee schedule).

### To sign into online banking:

Go to [www.destinationscu.org](http://www.destinationscu.org) and put your account number in the box and click Login

Once you get to Its Me247 Online Banking, you will enter the last four digits of your social security number plus the year you were born. For example, if the last four of your SSN is 1234 and you were born in 1980, your temporary password would be 12341980.

You will then be asked to accept the agreement for online banking and to set up a permanent password and answer security questions.

### To sign up for eStatements:

Once you have successfully logged into online banking, you will choose Info Center and under My Preferences, choose eStatement Options.
